

Play Station Project

Box

Make a box.

You need:

1 old rectangular
Christmas
or Birthday card

pencil

ruler

scissors

sticky tape
/glue

- 1 Cut the card along the fold. The picture part is the top of the box.

- 3 Fold each side of the card to the centre cross of the card x 4.

- 5 Fold in the sides on the short sides and fix with sticky tape. Fold over the longer flap and fix with sticky tape. This is the top of the box.

- 2 Turn the picture over. Use the ruler and draw a cross in the centre.

- 4 Open all the folds. On the short sides of the card cut along the fold until the crossing of the folds.

- 6 Use the other blank part of the card to make the bottom of the box. Reduce the card by 5 mm.

- 7 Now repeat steps 1-5 to make the bottom of the box.
